

Ancestral Sacred Connection & Healing Circle

with Rev. Lisa C. Marks, M.Ed

This interactive workshop explores our deep ancestral roots and what has brought us to this moment through our lineage.

IN THIS POWERFUL EXPERIENCE, WE WILL:

Experience our wise and well ancestors

Journey to the Ancestral Hall to clear a core wound we carry through our lineage

Discover archetypal patterns that run through our ancestry

Have a surprisingly wonderful encounter with our family through the Ancestral Pyramid

You will leave knowing that you are surrounded, guided, protected and loved by those who came before you, who carry great gratitude for your journey on planet Earth.

WE ARE THE ONES **THEY** HAVE BEEN WAITING FOR!!

Please feel free to bring any ancestral pictures to put on an alter to honor them.
